Join us for GIS Day

Nov. 13, 2019

Homewood Campus,
MS Eisenhower Library, A-Level
5:30 – 8:30 PM

In partnership with [Maptime BMore](#),
Data Services is hosting a celebration for GIS Day.

Come meet other GIS practitioners, enjoy presentations, peruse our historical map collection, eat some snacks and enter our raffle drawing for a chance to win a **free ArcGIS Pro for Personal Use** license!

This event is free and open to the public.

Want more GIS? The Spatial Science for Public Health Center at the Bloomberg School of Public Health will be holding a GIS event from 10 am to 2 pm on the same day. Make sure to check out their event [here!](#)
